Note 1. Cable buns are supplied with color coded pennants sewn into the sling for easy visual identification.

ROPE BRAKE

A safe innovative approach to your cable hoisting needs that is faster and safer than anything else on the market today. Automatic braking with complete safety.

Ropebrake pivots 180° to give a directional pull when hoisting.

Ropebrake has been field proven in the worlds toughest open pit mine environments.

- Features include:
- Exclusive self-braking; provides maximum safety to personnel.
 - Heavy duty design meets rigid industry requirements.
 - Maintenance free. Never wears out.
 - Designed for ½ to 1" diameter synthetic rope.
