

PATTON & COOKE ACCESSORIES

FAT MAT

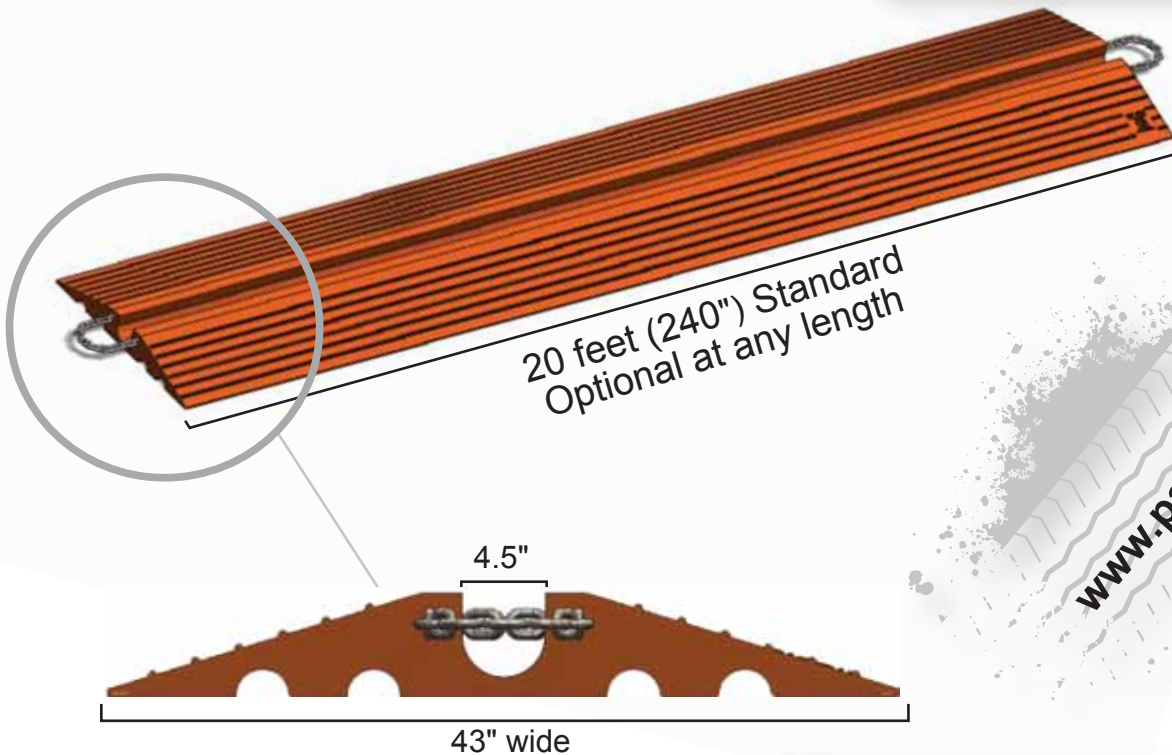

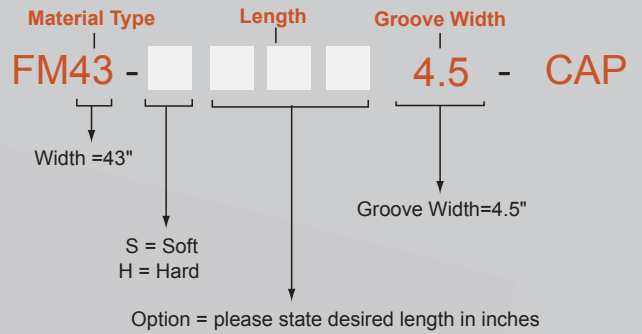

Introducing The Fat Mat by Patton & Cooke Co., designed to protect your cables from service vehicles and prolong the life of your cables.

FEATURES:

- 1/2" galvanized chain handles molded into full length of mat for ease of handling.
- Manufactured with hard (90 Duro) polyurethane rubber
- Available in soft (70 Duro) polyurethane rubber for extreme cold climates
- Available in lengths from 3' to 20'. Galvanized chain can link crossovers together to achieve longer lengths of cable protection
- Supplied with without a protective rubber cap that runs entire length of mat. Replacement caps available.
- Offered in Safety Orange for better visibility. Other colours available upon request
- Accommodates up to 4.5" cables.
