DUCT LINERS & CLAMPS

Duct Liners

Patton & Cooke duct liners provide a barrier between cable and duct entrances in vault installations. Duct liners protect cable from abrasion damage caused by contact with duct's rough surface. The edge design of the duct also provides strain relief. For maximum cable strain relief, Patton & Cooke duct clamps should be used with Patton & Cooke duct liners.

DUCT LINER								
DUCT SIZE		P&C Catalogue No.	DIMENTIONS					
mm	in		A		B		C	
			mm	in	mm	in	mm	in
102	4	5M52-32	165	6.5	159	6.25	117	4.63
127	5	5M52-40	300	11.81	240	9.45	150	5.91

ORDERING PROCEDURE:

1. Determine the Duct Size.
2. Select the catalogue number of the duct liner.

Single Cable Duct Clamps

Installation of Patton & Cooke duct clamps on cable protruding from a duct reduces the cable strain associated with an installation of this type. Duct clamps are molded from urethane and securely fastened with hose clamps for excellent cable grip.

*FOR 3 CABLE DUCT CLAMPS ADD SUFFIX -3 (EXAMPLE: DU43[-3]F).

ORDERING PROCEDURE:

1. Determine the Cable Diameter and Duct Size.
2. Select the catalogue number of the duct clamp.
